

Amendments to the Specification

On Page 3, line 26, please amend the following paragraph:

Preferred embodiments of the aforementioned composition are set forth hereinbelow or in the subordinate claims. Additionally, it is claimed the use of the disclosed microemulsions for cosmetic applications and/or for the production of a medicine for use in medical-dermatological applications, particularly as sunscreen, as foam which can be applied through a manually operated foam dispensing pump without the need for propellants, as water-rinseable cleansing and grooming product and as antidandruff shampoo.

On Page 4, line 23, please amend the following paragraph:

(F) is or contains as an additional surfactant at least 1% by weight a triglyceride alkoxylated with ethyleneoxide and/or propyleneoxide and subsequently esterified, wholly or in part, with C₆- to C₂₂- fatty acids, preferably in quantities from 1 to 20% by weight.
